

# CANYON VIEW FFO

## **The Purpose of the FFO:**

To assist Canyon View Elementary School in the realization and coordination of educational programs necessary in providing students with up-to-date state-of-the-art education and providing funding and volunteers for student assistance and school needs.

### **OUR GOAL AS THE FFO BOARD**

The FFO Board works to bring the Coyote Community together to create the best educational experience we can for the students.

### **WAYS WE SUPPORT**

The FFO Board works with families and faculty to provide funding and volunteers. We fund all field trips, enrichment programs, and community events. We support and appreciate our faculty through reimbursements, grants, and luncheons. We organize opportunities for the community to show gratitude to faculty for all they do for Canyon View students. We help fundraise for property improvement projects. Annually, we cover the cost to add and maintain 5<sup>th</sup> grade tiles, which add character and vibrant color to our campus. Currently we are fundraising to improve our basketball courts with shade

### **HOW WE RAISE FUNDS**

Funds for the FFO are raised primarily through direct donations aka "Coyote Cash" and fundraising events. Other funding sources are from employer matched funds, direct business sponsorships, and partnerships with local businesses.

### **JOIN THE PACK**

Contributing to Canyon View FFO, whether through financial support, volunteering, material donations, or sharing your skills and community connections, directly enhances our students' educational experience. Every contribution, big or small, equips classrooms, introduces new perspectives, and opens doors to opportunities, ensuring our students are set up for a lifetime of success.
